BEEF FARMER LUNCH EVENT

BEEF FARMERS ARE YOU READY FOR THE UPGRADES TO THE LIVESTOCK PRODUCTION ASSURANCE PROGRAM?

From 1 October 2017, farmers need to have a general Farm Biosecurity Plan as part of the Livestock Production Assurance program.

Join us for lunch
to learn why biosecurity IS important
and how Warrnambool Veterinary
can assist you in developing
a biosecurity plan

Speaker

Dr David Beggs

*David Beggs developed the
BioCheck® program being used
by Australian Cattle Vets.*
